MEXIQUILA | HOT. SPICY. SALTY.

MEXICAN INSPIRED, SLIGHTLY ELEVATED AND TEQUILA FORWARD.

From our love of fresh and locally sourced menu ingredients, bold and spicy flavors, colorful and thoughtful plate presentations, to the freshest mixers with artisanal tequilas we are excited to elevate the guest's experience. Our dining style is casually elegant, where the spirit of tapas meets a party in a contemporary Mexican-inspired setting which sets the mood for this brand to be hot, spicy, and a bit salty. Our reach is for guests who appreciate today's popular dining options and eating and drinking experiences centered around the heart of the brand, our kitchen.

Our Somers Point location is the perfect setting, as it enjoys New Jersey's rich tradition of farm fresh products, a growing community centered around entertainment, and beautiful beaches and bays located on the Jersey shore. Our vision for **MEXIQUILA** is establishing a fun but heightened Mexican concept with traditional Mexican flair enhanced by American and Asian cooking techniques. We will collaborate with our teams on utilizing craft driven ideas and innovations into the culture of the brand. The menus, uniforms, flow of traffic, and thoughtful uses of the facility and the patio reflect the essence of our brand.

What is the key to our success? We believe the key to success is our people! On every level we believe in honesty and trust, creating a core team that wants to make money and create job satisfaction within our brand. Our company's focus is to deliver an exceptional dining, drinking and entertainment experience to every guest, every time.
